

Mission Statement

Prep Academies, Inc. is a non-profit organization dedicated to educating children. Our schools and daycares are co-educational, and geared to bringing out the best in their students through innovative teaching methods and state-of-the-art technology. All learning is directed and administered by certified and experienced teachers well versed in traditional as well as contemporary learning modalities.

Prep Academy Schools are committed to an individualized learning experience for each child, small class size, pervasive use of technology, and a clean, safe and secure learning environment in ultra-modern facilities. While striving to maintain the highest in academic standards, Prep Academy Schools are modestly priced and offer an outstanding educational value.

It is our goal to develop the highest level of moral, ethical and personal integrity in each student, and instill in them the traditional values of patriotism, family connectedness, and spiritual accountability. We strive to involve each family in the education of their child, and have developed a unique, creative atmosphere where learning is challenging and fun for the student.
